Dermatology Online with Interactive Technology

Interactive E-Learning Program of the DOIT-Association and the European Dermatology Forum

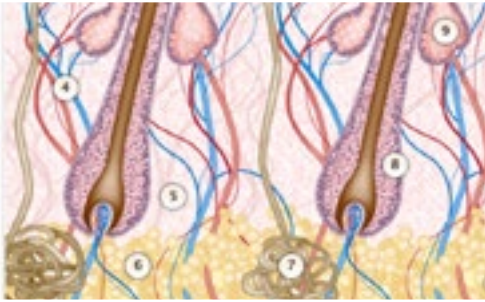

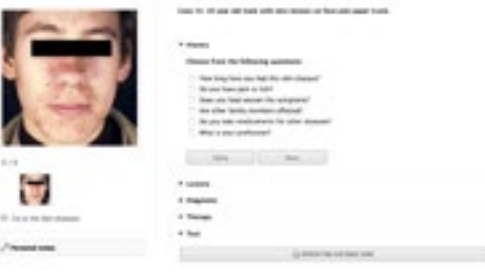

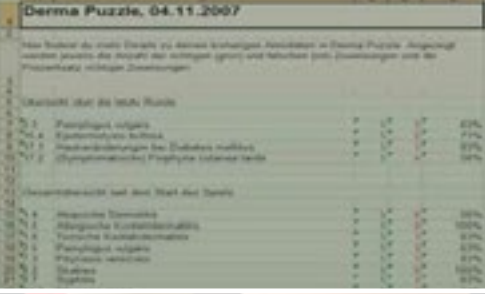

**European
Dermatology
Forum**

in cooperation with

DOIT Dermatology Online
with Interactive Technology

5 Steps to success

	<p>0 Orientation</p>	<p>Topographical, pictorial table of contents, overview of the diseases (121) and basic introduction to the structures of the skin</p>	
	<p>1 Learn</p>	<p>Supplement to the plenary lecture, following the Swiss Catalogue of Learning Objectives</p>	
	<p>2 Practice</p>	<p>Interactive module about exploration, diagnostic and therapeutic procedures, many multiple choice questions (MCQ)</p>	
	<p>3 Tests</p>	<p>Save Your Skin: knowledge assessment DermaVegas: diagnostic testing DermaPuzzle: differential diagnostic testing</p>	
	<p>4 Reviews</p>	<p>Commentaries, annotations, strengths and weaknesses, printouts (excel)</p>	
	<p>5 Extras</p>	<p>Compact podcasts (120) summarizing the content of one hour lectures in 3–5 minutes</p>	

About DOIT...

What is DOIT?

DOIT is an interactive, systematic and case-oriented, multilingual (German, English, French, Spanish, Portuguese, Italian and Chinese) e-learning-program in Dermatology.

For Whom is DOIT?

DOIT is designed for undergraduate students but may be used by postgraduate physicians or by representatives of Pharmaceutical Industries as well.

What are the Strengths of DOIT?

- ... covers all aspects of Dermatology and Venerology in 7 chapters and 121 dermatological diseases
- ... is interactive and follows a physiologic 5-step learning process
- ... is case-based, problem-oriented and simulates the medical workflow
- ... comprises entertaining learning-games with inbuilt online evaluation
- ... features 120 podcasts
- ... is globally accessible on PC or Mac, independent from the operation system as well as on tablet or smartphone, online and offline (iOS, Android or other)
- ... is available in 7 languages: DE / EN / FR / SP / PT / IT / CHIN

Who are the Users of DOIT?

DOIT has thousands of registered users from medical schools of 160 universities and institutions in more than 60 countries.

Who sponsors DOIT?

Originally DOIT was sponsored by the Swiss Virtual Campus Project, launched by the Swiss Government and its Universities (2000–2008). Currently the platform is licensed by the European Dermatology Forum in order to harmonize Dermatology training in Europe.

Awards

Finalist European Contest 2004, Medidaprix 2005, 2006, Winner Medidaprix 2009.
